

Pittstown Trail Association 2025 Membership Application

Membership in the PTA is open to all equestrians in the greater Pittstown area plus lovers and supporters of horses. As a PTA member, you will receive a tag granting you access to PTA trails. Additional membership benefits include group rides where you can learn the trails throughout our community and meet fellow equestrians. You will be invited to attend the networking meetings and our yearly landowner's party. There will be additional events planned throughout the year that you will be able to attend to enhance your equestrian experience.

To preserve the privacy of landowners, the PTA does not publish trail maps. Your best way to learn the trails is to take part in as many of our trail clearings as possible and participate in the group rides. Members of the Board of Governors will also provide trail locations and information. Each member must hold and **show proof** of a current one million dollar personal liability insurance policy through their homeowner's insurance or membership and insurance through USEF.

***All memberships run for the calendar year, January-December 2025**
